THE THING VS. THE MARVEL UNIVERSE - A 50-Page epic told entirely in splash pages!

- Ben Grimm, A.K.A. The Thing: He's the ever-lovin' idol of millions and powerhouse of the Fantastic Four. He's strong, he's kind, and he never gives up.
- And he's also tired, and he's sore, and he's grumpy. There's always a new threat facing the world or the galaxy or the universe – and somehow, he and the rest of the Fantastic Four are always the only ones who can stop it. Ben Grimm is sick and tired of it. He just wants a break!
- But when he returns to Earth after a solo mission in space to discover the Fantastic Four have turned against him – along with the rest of New York City, and, apparently, the entire world – he's got a mystery to solve...and a whole wide world to clobber.
- Ben Grimm takes on the entire planet in this special Marvel Anniversary issue – across 50 pages of incredible nonstop action so bold, so colossal, that the only pages that aren't splash pages are double-page spreads!
- It's Marvel as you've always wanted to see it, at our biggest – our baddest – our most clobberingest! It's the wildest story we've ever published! It's Marvel All-on-One!

THE LEGEND BEGINS!

- The Norse Myths tell of Gods who walked the Earth, doing great deeds for the mortals who believed in them. But Asgard isn't real, and never was.
- The Gods never soared in our skies, never stood with our heroes, never fought for kindness or justice. It was all just a story. Nobody's coming to help us.
- But somewhere in the city... a man is waking up.
- A man with a hammer.

COVER BY IAN CHURCHILL

Marvel's most extreme mutant is heading back to the future!

He's been a soldier. An X-Man. A protector of the timestream. From his earliest days, the mutant known as Cable has been living on borrowed time, waging a lonely war against the ravages of the Techno-Organic virus. When a high-stakes mission in the future goes catastrophically awry, Cable is left stranded in the dystopian city of Salvation Bay – and caught in the midst of a civil war that will change his life forever! Cable is no longer alone: He's fighting to protect an entire city infected with the same disease as him. He battles side by side with Resistance leader Avery Ryder, Cable's new cause will become personal in ways not even he could expect. With their own mortality staring them in the face, can these star-crossed soldiers survive against the mutated horrors of the Prime Conclave?
