2 Description of your company:

3 Description of your products and compliance to the 3GPP standards.

4 Type of application - Full or Associate NVIOT Member?

Please Choose:

5 Justification of your compliance to the NVIOT Forum membership criteria.

5.1 Applicable for both Associate Member and Full Member application

Both Associate as well as Full Members need to comply to the following criteria:

- a. Shall be a global vendor of 3GPP standards based products (core network and radio access).
- b. Shall have a common customer with at least one of the existing full members on an interface within the scope of NVIOT Forum.

Please provide the name of the vendor(s):

- c. Shall be willing to contribute to one or more of the work groups.
- d. Shall be willing to adopt the NVIOT Forum methodology and rules

We comply to all of the above criteria:

5.2 Applicable for Associate Member application

- a. Willing to accept the Steering Group's decision as to which work group to participate in.

We comply to all of the above criteria:

6 Willingness to meet NVIOT obligations

6.1 Both as Associate Member as well as Full member, you need to fulfill the following obligations

- a. Shall contribute to one or more of the Work Groups (as decided by the Steering Committee in case of Associate Members).
- b. Shall host the Work Group that they contribute to on a rotational basis

We are willing to fulfill these obligations:

6.2 The following obligations apply to Full Members only

- a. Shall participate at Steering Committee meetings
- b. Shall host the Steering Committee on a rotating Chairperson basis

We are willing to fulfill these obligations:

7 Your goal in joining the NVIOT Forum.

8 Your value add to the NVIOT Forum and how you would see your active participation to it and to which work groups

9 Any other information you deem necessary.
